

Dear Parents and Guardians,

The winter weather can be very tricky, and in the instance of inclement weather it is likely that we will have to call a 2-Hour delay, in order to give the weather time to abate, as well as allow time for the sun to rise and improve visibility. It is also important to know that our school hot lunch is provided by the South Bend Community School Corporation, and on days that SBCSC closes they will provide us with lunches on that day. **In the event that SBCSC closes and we only delay, you will need to send your student to school with a sack lunch.** Below will be the procedure and times in the event that we do have a 2-Hour delay.

1. Drop-Off: Students can be dropped off beginning at 9:30 am at door 5. Breakfast will not be provided as students will be expected to eat at home during the delay.
2. Beginning Time: We will begin our school day at 9:45 am which is 2-hours later than our normal start time.
3. Dismissal: Students will still be dismissed at the normal 2:45 pm dismissal time.

In the event of inclement weather please be sure to check WSBT-22 and WNDU-16 for updates on delays and closures.

Thank You for your understanding,
Mr. Brian J. Carver (Principal)
